Subject: Notice of File Closure for Small Mining Operations, Lucky Garnet Small Mine, S/023/032, Juab County, Utah

Dear Mr. Holden:

This letter is to notify you that the Division file, S/023/032, for the Lucky Garnet small mining project, located in Juab County, Utah, will now be closed.

We received notification from the BLM that they recently inspected the project area and found that the site had been satisfactorily reclaimed and they closed their case file. As your project is located on BLM managed lands, the Division will accept the BLM's recommendation and also close our file for this project accordingly.

You are hereby released by the Division from further mining or reclamation responsibilities at this site. You are not required to pay the \$150.00 permit fee as recently requested. If you wish to conduct any future mining related activity in this area, you will need to submit a new notice to the appropriate agency(s), pay the Division permit fee, submit adequate reclamation surety, and receive written approval(s), prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

Tom Munson
Senior Reclamation Hydrologist
